Biscuit is of impeccable structure as he is correct in his angles and square in his foot set. He is as good in his rear leg set and structure as any boar. With this, he combines an extremely powerful chest and rib cage, along with a thick rump. Named 2011 Illinois State Fair Premier Sire and numerous champions (pure and cross) across the state this year including Henry County Fair Supreme Champion Gilt, Heart of Illinois Fair Champion Duroc and Supreme Champion Gilt and Section 11 FFA Fair Reserve Supreme Champion Gilt.
