

# Scotty

**POLAND \* Negative \* \$50 per dose**

**Breeders:**

Scott & Bryan Bennett, Martinsville, Ill., and Mike Lambert, Monrovia, Ind.

**Current Owner:**

Center Prairie Genetics

This is a stress negative boar whose mother is a littermate to Bullwinkle. Her production record speaks for itself. SCOTTY sired the 2010 Team Purebred National Junior Show Reserve Champion Barrow and 2010 Heart of Illinois Junior Show Reserve Champion Barrow Overall. Here is one that we feel has not been used to his potential. We will be using him this fall and look forward to his progeny next spring.
