

We're heating things up

at Center Prairie Genetics!

Open House
& Customer
Appreciation Day
-- September 4

Good To Go

Mr. Structure

Judgmentic

Black Onyx

These boars are only four examples of the power in our herd boar lineup. Our selection emphasis: soundness, heaviness and width of structure, with true muscle dimension.

Through Aug. 24, all semen is half priced. Give us a call!

The best set of prospects we have ever offered of all breeds sold this spring. A huge CPG thank you to our new and repeat customers!
